The **EU International Business Forum on Transport and Strategic Corridors**, to be held in Abidjan from 30 March to 1 April 2026, aims to boost investment in the transport sector, in line with the European Union's Global Gateway strategy and the priorities of the CALAO corridor countries.

- Trade facilitation

The forum will bring together **500 participants** from public institutions, private companies, financial actors and development partners.

The event is aligned with the **EU' s** Global Gateway strategy and **Team Europe** initiatives, and offers a platform for **B2B, B2G and G2G** exchanges, project presentations, thematic panels and investment clinics.
