Post Event Follow-up

Objective:

- **Sustain connections** made during the forum and deepen initial contacts.
- **Convert leads into concrete actions** (partnerships, investments, collaborations).
- **Maintain momentum** by keeping participants engaged after the event.
- **Evaluate outcomes** (e.g., meetings held, deals initiated, interest generated).
- **Provide additional information** and resources to support next steps.
- **The PRIVATE SECTOR DEVELOPMENT PROJECT IN LIBERIA, who is financing this event, will also provide follow up and technical support to the National Investment Commission and Ministry of Commerce and Industry of Liberia to turn forum interests into discernable investments on the ground (Oct. 2025 – Sep 2029).**
