

SESSIONS 4, 7 and 10: SME Pitching Sessions

Day 2 – 10 June 2026

Summary

The SME Pitching Sessions will showcase a diverse group of Mozambican businesses operating across sectors including agribusiness, aquaculture, digital solutions, renewable energy, tourism, and the circular economy.

Organised into thematic sessions, the programme will feature a series of short company presentations followed by moderated discussions and audience engagement. This format allows participants to explore a range of business models, market opportunities, and entrepreneurial initiatives from across Mozambique.

Each company will deliver a five-minute pitch highlighting its business, growth ambitions, and partnership opportunities. Following each thematic block, investors, corporate partners, financial institutions, and other participants will have the opportunity to engage directly with presenters through a dedicated Q&A session.

Session Objectives

- Showcase Mozambican entrepreneurship and business innovation.
- Facilitate dialogue between companies and potential partners.
- Create opportunities for networking and business connections.
- Promote greater visibility of emerging businesses across key sectors of the economy.
