

Networking & building regional relationships with your Practice Greenhealth peers.

Get to know your neighbors at this networking session designed to connect sustainability leaders and initiatives by U.S. region. Get connected with other hospitals and leaders in your region to discuss a project you are excited about or challenged by, review related CleanMed sessions, discuss regional resources, and more. Get oriented, organized, and connected at this session and maximize your CleanMed experience.

Today's Agenda

- Meet and reconnect with individuals in your region to continue conversations during the conference, and ongoing.
- By regional breakout groups, engage in topics of interest and identify action items to take at your facility.
- Learn about regional sustainability opportunities or issues to be addressed or elevated with your facility leadership.
- Discover sustainability community groups, affiliate partners, and organizations that share the same mission and common objectives.

Breakout by region

Pacific Northwest and Alaska

Southwest and California and Hawaii

Northeast

Midwest / Mountain West

South and Southeast

International

Discussion Questions and Ideas

- **One thing you are excited about and one thing you are challenged by?**
- **What have you seen a peer institution in your region do, sustainability-wise, that you would like to replicate?**
- **Regional Policies: opportunities and barriers to implementation**
- **Local, Sustainable food partners**
- **Recycling vendors and materials**
- **Donation vendors and materials**
- **Renewable energy projects**
- **Other local procurement activities**
- **Regional transit planning, resources**

Closing

Who learned something new or surprising?

Who learned a new or key tactic?

**Networking & building regional relationships
with your Practice Greenhealth peers.**

Thank you!
