

2 + 2 = 7 ?

**Yes. With KPMG
Transformation Toolkit**

System transformations are challenging

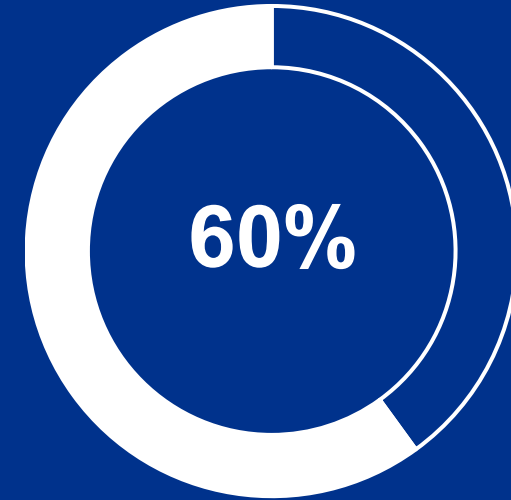

Unclear case for change

Business – IT alignment

Expensive and resource intensive

Limited operation visibility

Lack of adoption

of all transformations are
not successful*

*Gartner Strategic Roadmap for Postmodern ERP, 2019

Imagine if you could...

**Agree on Case
for Change**

**Control Cost &
Scope**

**Minimize Risk &
Disruption**

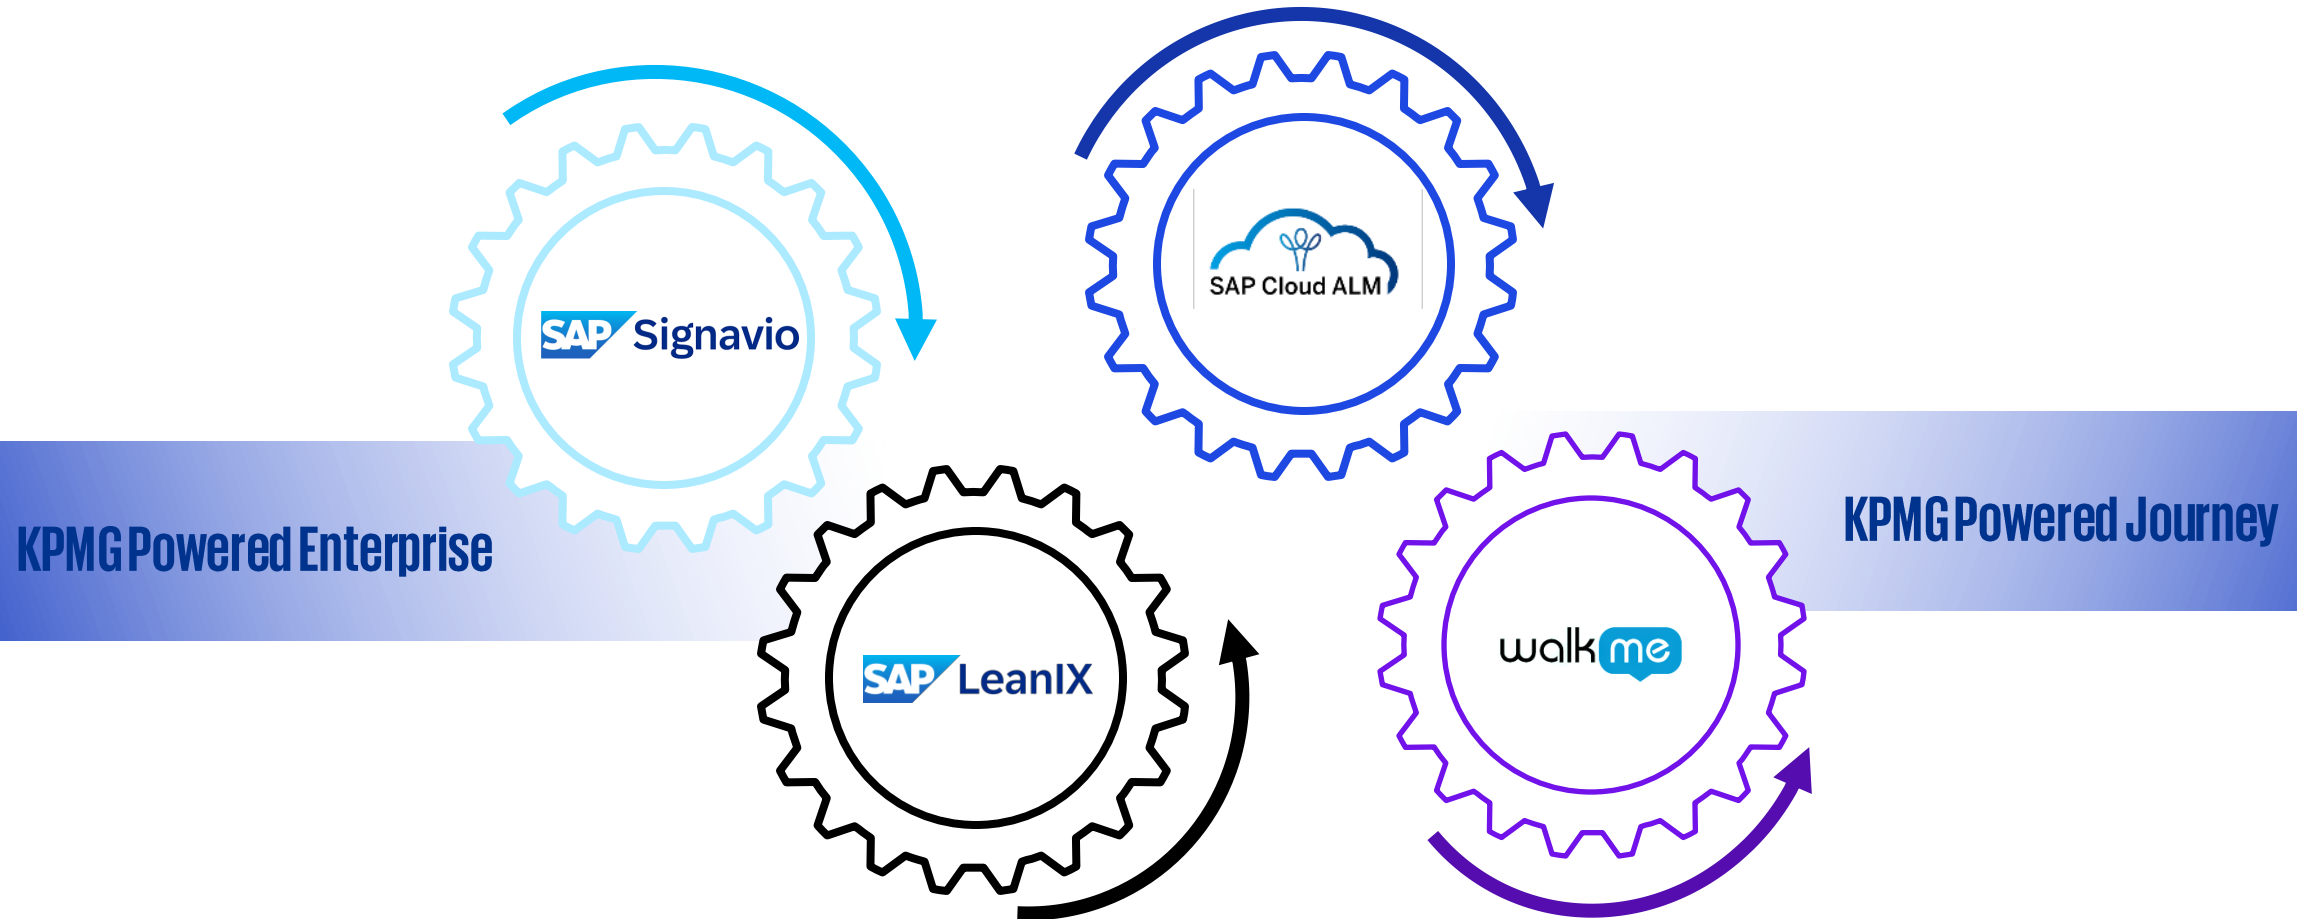

**Drive User
Adoption**

**Maximize
Business Value**

KPMG's Transformation Toolkit

The Transformation Toolkit is an integrated suite of SAP tools combined with a proven KPMG Powered approach, designed to connect IT architecture, business processes, and project execution, turning strategy into reality!

The fictional case of MEHA

MEHA is a Dutch manufacturing company operating worldwide. MEHA is in the middle of their SAP S/4HANA transformation and uses KPMG's Transformation Toolkit to bring it to a success

MEHA's C-Suite objectives

CEO

- Strategic growth
- Future-ready
- Reduce organizational risk

CFO

- Improve financial transparency
- Program on budget
- Streamline finance processes

CIO

- Safe migration
- Minimal disruption
- Simplify IT landscape

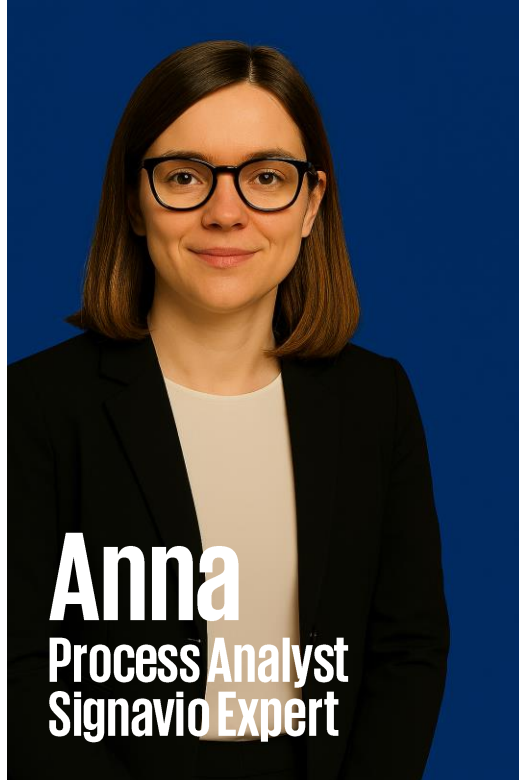

COO

- Streamline E2E processes
- Ensure business continuity
- Drive operational excellence

Now let's dive into the tools

But first, meet our experts at MEHA

How the Transformation Toolkit delivers success

By seamlessly aligning strategy, execution, and adoption, the Transformation Toolkit ensures effective transformations

Project Phase		Priority to pursue	Toolkit component	KPMG Assets	Value driver
Analyzing as-is situation		Estimate value	SAP Signavio SAP LeanIX	Business Case, Recipe cards	
Defining to-be situation		Building the right things	SAP Signavio SAP LeanIX	MoSCow Record, RICEFW	
Implementing scope		Build things right + Realized value	SAP Cloud ALM walkme	Mock Cutover and UAT, Deployment Readiness	
Analyzing improvement		Continuous Improvement + Ensure that what was build is used	SAP Signavio walkme	Hyper care, Value Realization
