EU-SADC EPA: asymmetric market access

The EU provides:

- to all SADC EPA States except South Africa: **100% duty-free and quota-free** (DFQF) market access for all goods (except arms and ammunition)
- To South Africa: DFQF for 96% of its exports, and partial liberalisation for another 2.7%

SACU gradually grants the EU DFQF treatment to **84.9%** of tariff lines, with an additional **12.9%** benefitting from reduced tariffs or tariff rate quotas (pork, butter, cheese, wheat, cereal preparations, ice cream).

Mozambique liberalises **74%** of imports from the EU.

Opportunities created by the EU-SADC EPA
