

# Early Career and Internship Meet and Greet

## Ingredion

Ingredion Career Page: [Ingredion Careers Page](#)

Join Ingredion, where innovation impacts lives worldwide! Without even realizing it, you've experienced our work in your favorite chocolate, your pet's food, the paper you write on, and your everyday snacks. As a global powerhouse across more than 60 industries, we harness the potential of natural ingredients to transform lives. Whether you're just starting your career or bringing years of experience, there's a place for you here to make a real difference. Be part of our team that values a wide range of perspectives and is committed to shaping a better world with every product we create.

## Ardent Mills

Career Page: [Ardent Mills Careers - Search and apply](#)

Ardent Mills is the premier flour-milling and ingredient company. We cultivate the future of plant-based solutions to help our customers and communities thrive across 40+ locations in North America. At this year's IFT FIRST, meet with our team to learn how we're making innovative breakthroughs with nutritious food, making our processes more sustainable and our communities more prosperous.

Making the food that nourishes North America takes people with many different skills working in a wide variety of environments. Come and explore the different areas of our business to see where you might fit in.

## Edlong

Edlong is the only Woman-Owned and Privately Held flavor company in the world focused exclusively on the taste of dairy. This unique position in the flavor industry reflects our deep-rooted expertise in both dairy and dairy-free flavor development. With more than a century of innovation behind us, our unmatched ability to unlock the complexity of dairy taste is powered by a global team of applications, culinary, sensory, and flavor experts.

Our mission - to enrich the lives of everyone we touch - extends from the brands we partner with to the communities we jointly serve, to the people we're proud to call our Edlong family.
