

# FERROVALLE INTERMODAL

SHIFT TO RAIL

Ferrovalle Intermodal  
CTAC Americas 2026

## Connectivity

Located at the heart of Mexico City, we are the most relevant railway and intermodal facility in terms of capacity, volumes and connectivity in Mexico. We directly connect with 5 rail border crossings, 6 ports in the gulf of Mexico and the Pacific and the most relevant industrial hubs in the country such as Monterrey, Guadalajara, Bajío, among others.
